## WELCOME TO ELITE RACING

---

Elite are here to help you improve your betting skills and therefore your chances of winning at this fascinating game. We put an extraordinary amount of time into form and video study and combined with our experience and leading edge methods, no other service can match our expertise in race analysis of Melbourne Racing.

We not only provide sound, thoroughly researched selections, our main aim is for you to develop as a punter and eradicate the usual bad habits associated with aimless or compulsive betting.

You can't get rich overnight but you can do a whole lot better than Mr Average Punter who squanders a huge chunk of his pay packet every week. Less than 2% of bettors are successful professional punters. But when you consider that 2% of a usual Saturday race crowd at a city track is about 20 people, you realise that you have probably rubbed shoulders with them every time you've been to the track and more importantly they are just like you. The only difference is they have dedicated themselves to winning at racing. Many are Elite clients.

### Checklist of a WINNING Punter

---

#### Checklist of a WINNING Punter

Two punters can have access to exactly the same long-term proven winning selections yet one will win and the other will lose. The winner committed to the following non-negotiables. The loser has balked at one or more - and it only takes one.

- Make a genuine, full-hearted pledge to yourself to do what it takes to win at punting.
- ✓ Have access to profitable long term selections that are proven to win at level stakes over many hundreds of past actual tips.
- ✓ Have a strategy
- Stick to the strategy and don't second-guess any qualifying bet.
- Bet the percentages as recommended.
- ✓ Know in detail what past bad runs have looked like and know that they are an ongoing fact of life for any punter.
- Have a physical Bank. No bank means guaranteed failure. It is amazing how a bad day seems so insignificant when a REAL bank is in place.
- Mug bets must be funded by a separate bank and EVERY ONE must be recorded. You will be amazed how these eat up the cash despite the occasional windfall. They can be good fun if the money won't be missed.
- Never mix up bets from other services or sources with Elite bets.

We have already taken care of three of the nine critical points. **If you can tick the other six you will win.** Each point is simple on its own but many punters give up this unique opportunity because they can't muster or maintain the discipline.

## ELITE RATINGS RACEDAY INFORMATION

Melbourne and Sydney Saturday- Class meetings are covered all year round as well as selected night meetings and the city class meetings held at country venues.

<b>Email:</b> Summary of the day's bets and Race-day Pro-Sheets	Emailed direct to you before 11:00am race-days. Usually well before that deadline.

We try to get the raceday messages out before 11.00am deadline but the raceday information is not final until 11.00am.

**If there are adjustments, the member's raceday page is where to get that up to date information.**

## Keep Up to Date

---

**Don't get left behind!**

**Please take the time read the latest newsletters** and memos and make sure you read the extra information on emails. We are always explaining things in response to queries from clients or simply sharing new knowledge. If we find an extra edge you will be the first to know.

**Clients who do not bother to invest that few minutes and read the material soon get left behind and become confused.**

## Office Communications

---

### **Email is always best.**

Our phone communication does not compare with our email customer service because phone calls can come in when we are under the pump and simply have not got the time to give considered answers to some queries. With 600+ clients it becomes impossible to allocate the time provide a satisfactory phone service.

**Email** us with clear questions and we will put in the time to make sure you get the right answers, nearly always same day.

## Winning with Elite Racing:

---

**An Elite membership gives access to the Elite Ratings. That means the Top-5 rated selections in each rated race.** That's racing information that is regarded by professionals as the best available for Melbourne racing.

We provide free betting strategies and ongoing, updated recommendations to keep up with the forever changing betting landscape in Australia.

The hard part is done at this end but you still can't win unless you apply our proven investment strategies with the resolve to give it a **fair dinkum go for the long term**.

## Track Conditions

---

We put a lot of extra work into getting the track condition right and in well over 90% of the meetings throughout the year we race on conditions that we expect.

On the raceday message we list the track grading 1-10 (1 being very hard and fast and 10 being very heavy) - that we rate to and add notes if necessary so you can bet without worrying about the conditions.

However, if you **set a rule not to bet if the track grading changes more than one grade away from the morning grading** then over the long haul you should expect better results. If we list two gradings, the first-mentioned grade is the one to use. For example if we note our track 'rated to' as "3/4" the 3 should be used. If it is "5/4", then use 5.

**All results are recorded even if the conditions change more than one grade.**

We look forward to the wet tracks because it is another area that our research, experience and methods provide a clear advantage. Windy days can be problematic and we keep detailed records of wind speed and very importantly wind direction.

## Why Doesn't Elite have Bookie Ads?

---

Being paid for providing racing tips and having an affiliates arrangement with bookies is a conflict of interest.

It is a bit rich to claim to provide winning information for members but then take massive commissions when their clients lose. (25% off their referred clients' losses (and higher) for life).

**If you want to be a part of a service that gets paid by bookies if you lose, then Elite is not for you.**

Elite continues to lead the way in the racing services industry by the length of the Flemington straight.

- Amazing ratings accuracy
- Betting-strategies that really do win in real-time
- Unequaled customer service
- Always going that extra mile to make sure clients get 110% from their Elite investment from day one.
- Almost a hundred of our 700 (capped) Australian and International members started with us in the nineties!

**But more importantly it is our proven integrity and honesty in all dealings that sets us apart.**

## Multi Betting: Exactas, Trifectas and First Fours

Each raceday message (online, email and app) includes the "ALL-Rated" list for each rated race. This is where members go to source their Multi betting action for the day.

The instructions below the list is our recommended method of setting up your multi bets. We have been noticing a return of value which started turning back in our favour mid-2019.

Here is how a typical **All-Rated Multi sheet looks after the** results are filled in.

F4			4175	17812	-	-	-	5373	1355		

Base Multi: 3 to win, 9 for 2nd, 9 for third, 12 for fourth  
 ie: Top-3 Rated to WIN, ADD next six to those three to make nine for 2nd and third, ADD 3 more to those 9 to make 12 for fourth. The "Pro" version uses the same formula however stick to races with 12-15 runners.

The \$17k div was **\$28k in NSW** but we stick to Vic Divs for consistency.

### Boxing a number of horses is never a good idea.

That is what the other 99% of punters do and it plays into our hands.

Race 8 would have been a winner for a box-5 but the other three winning multis that we got at Sandown relied on the wide net we set for the placings.

If we hadn't found **Flying Sardine** (2<sup>nd</sup> Race 4 at 50/1) in our five rated selections she would have been right at the bottom of the list in tenth place (longest odds in the race). We take nine for second and third and would have missed the \$17k F4.

### Multi Betting Success comes down to:

- finding the winner in the top-3 Rated
- including the right longshots in the top-5
- having the net spread to nab the Pacodalis (Race 9-1) well down the list.

We do all that that for you with uncanny consistency.

### Example: Race 8 above

Three to WIN: 9-5-1

For Second: 9-5-1 **PLUS** six more to make NINE: 14-12-17-2-6-11

For Third: same as second: 9-5-1-14-12-17-2-16-11

For Fourth: 9-5-1-14-12-17-2-16-11 **PLUS** three more to make twelve: 13-7-18

It is up to each member to decide whether to cull numbers and what flexi bet amount they choose. If culling, work from the bottom eg: if you only want to take seven for second, 16 and 11 would miss that spot.

## DANGER RACES

---

If you do choose to bet on **Top-Raters** then at least give the “danger” races a big miss. Danger races have been explained, discussed and analysed in many newsletters.

There is a column in the Master Spreadsheet that is uploaded each raceday morning called “Danger”.

DANGER
Cau Rail >8m

### Top-Rated are in Danger Races if:

- Caulfield Rail out greater than 8m AND distance greater than 1200m
- BM races of less than 78 in the city
- BM races less than 84 in the Non-City races.
- 3yo races at the Non-City races.
- Mel Spring races (October and Cup-Week)
- Weight to carry 60kg or more

(June 2022): Backing ALL top-Raters since Jan 2017 that are NOT in danger races (Column AL = Blank) has made **\$17,812 net profit!**

Backing ALL Top-Raters in Danger Races in the same six year period has **LOST \$20,482.**

You do not need to do anything with this information because it is all factored into the Elite-Combo algorithm. But If you choose to bet on top-raters outside the Elite Combo or Elite Filters then at least discard the ones in “Danger” races.

# Colour Coding Winning Chances and Main Dangers

In October 2020 we introduced a Mel colour coding system. We highlight the definite winning chances in green and the serious dangers in blue.

Refer to Newsletters: [Oct 19<sup>th</sup> 2020](#) and [Oct 26<sup>th</sup> 2020](#) in your members/newsletters area for more detail and results as well as follow-up newsletters into 2021 especially the Aug-4<sup>th</sup> and Aug 7<sup>th</sup> 2021 newsletters.

[Elite Memo August 7<sup>th</sup> 2021](#) Pdf (*Elite Combo final update*)

[Elite-Combo Newsletter August 4<sup>th</sup> 2021](#) *Elite Combo end of Season appraisal/enhancements*

In this example we had six REAL winning chances (green) and ONE that we considered a danger that would not surprise at all.

9	CARIF	BM	\$ 26.0	Peter Snowden	Kerrin McEvoy		11	55.0	55.0					
13	SUPER GIRL													

Miami Bound won at \$26.

Note1: The order that the horses are listed as: **Top-5 rated selection in order** then **the rest in order of AM (morning) odds**.

This example shows it was a very tough race. Our Top-5 rated are all green as well as Oceanex. Just the one other was considered as a genuine chance to upset our main chances - Miami Bound.

Hush Writer was considered no hope (no colour) but was listed above Oceanex etc because his price (AM Odds) was shorter. Same with Trap For Fools/Miami Bound.

There is a comprehensive [Colour-Code Spreadsheet](#) online in your Mel members/results area.

# The Rating Sheets

The Elite-Ratings rating sheets have been produced since 1987 and provide a wealth of information. They are used by professional punters and bookmakers for that extra information that is quite often only uncovered by the Elite Racing Form Analysis process.

Here is what you see on the Race-day Pro-Sheet which is attached to your raceday email as well as uploaded to the members' page in Excel and Pdf versions.

## Confused or Overwhelmed?

---

In newsletters and memos we do discuss other strategies and ideas from time to time. Although Elite-Combo is the main plan for Mel and for Sydney, Elite members have plenty of free data to make their own informed decision as to how they make best use of all the Elite raceday information.

Most Mel members choose to have their serious bank for the **Elite COMBO Strategy**. The bets are worked out for you and listed on race-morning with the recommended bet-size ready to bet.

The Multis are a fun way to get involved in more races and get returns from more of the big-priced winners that we find on a regular basis.

# ADL - Metro-Express – Platinum – Elite Suite

## **Background**

### **Elite Software Generated Ratings** (July 2021)

For more than 30 years we have tested but resisted utilising many and varied computerised ratings programs. We do the form manually and it takes days. We constantly find opportunities that computers can't. The Welsh Legends (top rated winner at \$8.00) for example don't come from a computer click.

However, the program we have created in recent times has given us full confidence in its power to produce previously unimaginable profits from a non-human source.

Of course it is the amazing volume of data that it collects and collates that makes it so valuable but it has always been a challenge to successfully mine the data and produce tips that win consistently.

We have the program that we can fully trust to deliver.

It has been producing astonishing results and has created opportunities away from Melbourne and Sydney. You have already seen its ability to find big-value top-rated winners in those weeks where the Adelaide tips were provided free.

This is not a simple Don Scott weights and measures program that the others use to work out their tips in seconds with the push of a button.

Our trials using this technology have amazed us.

# Adelaide Ratings

The Adelaide Ratings service started in July 2021.

We list the Top-5 rated selections with assessed odds at the Saturday South Australian city-class meetings. Mostly Morphettville but sometimes Gawler or Murray Bridge.

Most of the races at each meeting are rated and some top-raters qualify for an "A" bet.

The raceday message is online and emailed by 11:00am raceday.

We can confidently say that we provide by far the most reliable top-5 ratings available for Adelaide racing.

These "A Bets" and are clearly marked on the ratings sheet with a recommended bet size from 1.0% to 2.0% of the bank.

All the "A" bets are listed ready to go with the suggested percent of your bank. Eg: 2.0 = 2.00% of your bank.

## **ADL: "A" Bets 2021**

as at 31<sup>st</sup> Jan 2022

**52 bets for 22 winners, 42% @ \$3.83**

**Bet:           \$ 10,200**

**Ret:           \$ 16,850**

**Profit:        \$ 6,650 (65%)**

## Adelaide Ratings *continued*

The ADL **top five** strike rate is 80% which is similar to Elite Mel. That is far better than the industry average.

The ratings are finding the winner in the **top two** 52% of the time.

The **Top-3** strike rate is an awesome 64%.

Such amazing stats obviously underpin a LOT of successful multi bets.

### ADL Raceday Format

This is the format that the ADL ratings comes in. There is a pdf version of this list included on both the online version and the emailed version.

# Metro-Express

We source Best of the Best computer plays for Melbourne Sydney and Adelaide at the Saturday/Public Holiday meetings **as well as the Wednesday Metro** meetings. These are provided in ready-to-bet format with suggested stake on applicable race days.

**The Metro Express list of bets comes online at least half an hour prior to the first race of the day in Mel, Syd or Adl.**

All bets are ready to go, listed as a percent of your bank.

Eg: 2.50 = 2.50% of your bank.

In this example, Twist of Fury was a 1.0% bet. That's a \$100 bet for members with a \$10,000 bank devoted to this plan. He returned \$1,100.

# Elite Platinum

The Platinum bets are the highest-bet qualifiers from MEL Computer Top-Raters, SYD Computer Top-Raters, Metro Express Maximum bets as well as the Elite Combo Mel and Syd \$151+ bet qualifiers, all in one raceday list in race-time order.

**The performance that is achieved when the best of the best of these diverse sources coincide (Platinum A) is phenomenal.**

**The Platinum list of bets comes online at least half an hour prior to the first race of the day in Mel, Syd or Adl.**

All bets are ready to go, listed as a percent of your bank.

Eg: 2.5 = 2.50% of your bank.

In this example, Ashford Street was a 1.60% bet which equals \$160 bet for members with a \$10,000 bank devoted to this plan.

# Elite Suite

The ultimate way to bet the main strategies is to have a separate bank for each plan. However, many members want to take advantage of the profitability of the main strategies but prefer to bet from **ONE bank**.

We developed an algorithm to bet most qualifiers from the entire Elite-Suite of strategies with a SINGLE Bank.

1. ALL Platinum Qualifiers.
2. ADD Mel Combo qualifiers that were not originally transferred to Platinum for consideration.
3. ADD Syd Combo qualifiers that were not originally transferred to Platinum for consideration.
4. ADD Mel System qualifiers that were not originally transferred to Platinum for consideration.
5. ADD Syd System qualifiers that were not originally transferred to Platinum for consideration. If a horse becomes a dual or treble qualifier in the Platinum Strategy, the algorithm will work out a single bet amount for that horse.

						
Time	Track	Race	TAB	Selection	Source/s	% of Bank

**We do it all for you!**

**Each raceday from Jan 1<sup>st</sup> 2022**, where at least one of the strategies is active, we upload a list of the Elite-Suite qualifiers to the Platinum members page. It is emailed to Platinum members as well.

## Elite-Suite Advantages

- One Bank covers all strategies from all Elite Racing services.
- No need to back same horse multiple times.
- Simple, all the work is done this end...ready to bet.

## Q & A. (July 2021)

**Q: With ADL, Metro-X and Platinum, we have three extra betting strategies. That's on top of our strategy choice for Mel and Syd (Elite-Combo). Should I apply one bank to bet on all of the strategies?**

**A:** These strategies are **the recommended approach specifically for each service.**

Each plan's list of bets are independent of each of the other plans. Some bets will coincide between plans but they are **not intended to be cross-referenced.** That means a separate bank for each of the strategies you choose to operate.

**Q: You mentioned that you are sourcing some Platinum qualifiers from computerised Mel and Syd ratings. Do we get access to those ratings?**

**A:** No. We do put Mel and Syd through our computerised ratings program but that is to find special top-raters that pass a series of strict filters. They get a spot in the Platinum Strategy. A lot of the ratings information falls short of Elite Ratings. There are some gems amongst them and we know where they are. It would simply be confusing to provide two sets of ratings for Mel and for Syd.

**Q: South Australian racing is sometimes away from Morphettville on Saturdays. What happens then?**

**A:** We will provide ratings for the non-city Saturday meetings (like Murray Bridge and Gawler). We are learning as we go with these bush meetings.

**Q: Are the strategies set in concrete or do you expect some adjustments along the way.**

**A:** We have the settings in place that will ensure long-term profitable performance but if we see opportunities for improvement we will implement them. We never stop striving for perfection.

**Q: What time do we get the raceday information?**

**A:** The later we can hold off, the more accurate the data. We hope to get the info online and emailed **at least half an hour before the first event.** We usually make a note on the Mel raceday sheet as to what time to expect the Platinum, MX and Adl messages.

## CONCLUSION

---

You will not win money at the races unless you can rigidly stick to a plan through thick and thin.

If you can make the commitment to yourself to bet methodically and professionally from now on, then I know that you will make as much as you want from your betting.

There have been **many losing streaks for every plan** yet they all recover the losses and hit new bank record highs for those who stuck with them.

The recovery phase is fantastic but sadly comes when some members have decided to give up. They most probably did not have the physical bank in place.

With Elite you have unique access to winning selections and proven profitable betting strategies; all you need is the determination and business-like approach to make this work.

The percentage of renewals to Elite is extremely high, the envy of our competitors. We work tirelessly to keep it that way. **Subscribers do not renew unless they are happy with the service and they are making a profit.**

If you have any specific queries just **send an email**.

We are here to help you and improve all aspects of your punting. We try to check for emails of an **urgent nature** right up to midday on race-morning but after that we are in the ring backing our judgement just like you.

Looking forward to a long and profitable association.

All the best
