

Elite Strategies

Welsh Legend was another fantastic winner for us on Saturday. During the morning, she was backed in from the \$11 AM odds and opened officially at \$7.00. She drifted to \$8.00 then was backed late into \$7.50 SP.

Thanks to Craig Newitt's courageous weaving ride, she beat the spruik horse (Coolth) easily. I did a quick check of those high-profile 'experts' and could only find one that mentioned Welsh Legend – and it was his third pick behind his bet-bet of the day, Coolth!

Welsh Legend was captured by the Mel-Combo, Platinum and Elite-Suite.

I know many members would have taken the double-figure odds early but for those who took BOB (*The Best odds from Top-Flucts or best of the totes*) the **\$8.00 return was very acceptable**.

We had a couple of queries last week questioning the \$6.80 BOB odds recorded for **Easy Single**, another great winner for Mel-Combo and Elite-Suite.

Anyone not getting BOB really must get organised and use bookies that offer that bet type. We do not promote bookies but vicbet.com.au are very suitable for Elite punters. Rod Cleary is a breath of fresh air in an industry of greedy parasites.

Just to show that these big winners are returning what we claim, the following bets part of our investment on Easy Single and Welsh Legend:

Flemington Race 6 - P...	16. Welsh Legend	\$250.00 @ (Best of the Best)	Return @ Tkt 4220466	-\$250.00
Flemington Race 6 - Pfo	16. Welsh Legend	\$250.00 @ 8.00	Return of Tkt:4217322	\$2,000.00

Flemington Race 9 - San	12. Easy Single	\$240.00 @ (Best of the Best)	Return @ Tkt 4208205	-\$240.00
Flemington Race 9 - Santa	12. Easy Single	\$240.00 @ 6.80	Return of Tkt:4204137	\$1,632.00

Platinum v Elite-Suite

Those in the Platinum camp got the best of it on Saturday. The Elite Suite added \$188 to the bank whilst the Platinum bank increased by \$410 (\$10k banks).

Here is a day by day look at the raceday profits of each plan since the April algorithm upgrade:

Raceday Profits Since Algorithm Upgrades										
Strategy	Apr-23	Apr-25	Apr-30	May-7	May-11	May-14	May-21	April Profit	May Profit	Total Profit
Metro-Express	-100		340	180	284	-180	-550	240	-266	-26
Platinum	700	-150	390	80		-150	410	940	340	1280
Elite-Suite	394	-120	704	72	130	324	188	978	714	1692

Totals	2251	-126	1449	612	414	534	706	3574	2266	5840

Here is the updated performance of each plan:

Since Algorithm Upgrades								
Strategy	Bets	Won	S-Rate	Ave Odds	Bet As Listed	Return	Profit	WIN % Profit
Metro-Express	17	5	29%	\$3.32	2420	2394	-26	-1.1%
Platinum	17	6	35%	\$4.53	2800	4080	1280	45.7%
Elite-Suite	30	11	37%	\$4.16	3970	5662	1692	42.6%
Syd Combo	7	3	43%	\$4.01	1000	1386	386	38.6%
Mel-Combo	20	7	35%	\$5.13	3390	5898	2508	74.0%
Totals	91	32	35%	\$4.30	13580	19420	5840	43.0%

The Elite-Suite is comfortably ahead of the Platinum in dollar-profit terms.

It is great to see the Combo bets making so much money. Sydney has been extremely difficult (*Bog tracks, Country meetings*) so an overall profit through the above period is a bonus.

Melbourne Combo is killing it with regular big winners.

The Mel/Syd combo bank has **grown by more than 28%** over the six days that had qualifying bets.

Lombardo!

Those who had a throw at the stumps in the Goodwood at Morphetville had a windfall with **Top-Rated LOMBARDO** leading all the way at \$20.

Thanks again for the feedback, it really does inspire us .
